From the Pastor's Desk:

The Seven Deadly Sins

We've all heard of them, but what are The Seven Deadly Sins. It started in the 4th century when a monk listed sins that he personally wrestled with. Pope Gregory in the 6th century noted these seven deadly sins were not limited to monks but something we all wrestle with.

In this important series of messages we explore the insidious nature of these specific sins, discover how easily they creep into our lives, and learn how to avoid their grip-or break free from them. Each week we will also experience powerful reminders of these corresponding virtues.
