Announcements

Our church vision statement has not changed. "To Build and Strengthen Relationships with God and Each Other Inside the Church and With Others Outside the Church." How we live out that statement has changed. Since the "Stay at Home" orders were given, we have not had in-person Sunday School at the church building; however, the Education Team has continued to provide Sunday School opportunities to the children through handout packets and adults through Zoom conferencing. As in-person gathering becomes an option, the Education Team is developing a strategy to adjust Sunday School again. We are committed to build and to strengthen relationships with God and each other through a safe and effective manner. All children, youth, and adults will be included. At this time, we are planning to start in-person Sunday School at the church facility on Sunday, July 12. Our plans will adjust as needed with the County requirements and feedback from the congregation. Until then, we will continue to offer the handouts and Zoom meeting. We will continue to share with you our thoughts and plans. Please feel free to offer you thoughts and suggestions to us. Thank you.

Education Team.
